

## Guest memberships

Guest membership for 24/7 access can be arranged for family/friends over the holiday period before 20<sup>th</sup> December.

You can purchase a GUEST PASS and one visit for \$60 (one off cost) then all visits will be charged to your account at \$15 per visit.

You can use the pass for multiple guests - however, you must come in with each guest, swipe the GUEST access tag for EVERY GUEST, and take them through the induction process.

Your guest must complete the Guest induction form located here at the front counter and you must both sign this and place it on the counter in the basket provided.

Once inducted, your guest can come in on their own provided they are aged over 18 years - if they are between 16 - 18 years you must accompany them on every visit. Under 16 years old are not able to have access outside of staffed hours at any time.

Guests must swipe the access tag at the front door and sign the GUEST SIGN IN FORM on the office counter on every visit.

This GUEST ACCESS option is being trialled for the holiday period from mid-December 2019 to mid-February 2020 and will be re-assessed based on the results.

We wish all our clients and their families/friends a safe, happy and healthy holiday period 😊
